You have either terminated this email or have ignored all my earlier attempts to connect with you.
If the latter is the case, please consider replying to this one as we would all very much like to see you. Perhaps you could visit us for Christmas!?
We have no idea where you are which is very distressing. I would be happy to pay for an airline ticket should you decide to come here for a visit.

You have a family in Canada who would like to see you. Please reply to this email.
